

**GOVERNMENT OF ANDHRA PRADESH  
ABSTRACT**

PANCHAYAT RAJ & RURAL DEVELOPMENT – Creation of certain temporary posts and outsourcing certain services through an agency in Panchayat Raj Engineering Department – Orders – Issued.

\*\*\*\*\*

**FINANCE (SMPC) DEPARTMENT**

**G.O.Ms.No. 240**

**Dated: 19-09-2009.**

**Read the following:-**

1. G.O.Ms.No. 62, Finance (SMPC) Department, dt. 12.02.2009.
2. From the Engineer-in-Chief (PR), Lr.No. B.PR/II/Addl.Staff/09, dated. 29.06.2009 and 29.7.2009.
3. P.R. & R.D. Department, U.O.No. 29326/E.I.2/2007, dt. 14.9.2009.

oOo

**ORDERS:**

The P.R. & R.D. Department have stated that in the G.O.1<sup>st</sup> read above, Government accorded sanction for creation of one post of Chief Engineer, nine posts of Superintending Engineers and twenty two posts of Executive Engineers in Panchayat Raj Engineering Department.

2. Further the Department have stated that Government of India has been providing substantial funds under PMGSY to provide all weather connectivity to all the habitations with a population of 500 and above in the plain areas and 250 and above in the scheduled areas. Government have spent Rs. 253.04 Crs during 2006-2007, Rs. 384.80 Crs during 2007-2008, Rs. 494.69 Crs during 2008-2009 and in the current year up to July, Government have spent Rs. 261.50 Crs under this programme. Balance programme on hand as per the approved projects is estimated at Rs. 1950 Crs. Further, State Government is submitting a proposal to Government of India for providing all weather connectivity to all habitations in the scheduled areas of Khammam District costing about Rs. 410.00 Crs as part of developmental efforts in Districts influenced by Left Wing extremism. State Government is also preparing another project report to connect all the unconnected habitations with population of more than 500 in plain areas and more than 250 in left over scheduled areas. Thus, there is a huge opportunity available under PMGSY to substantially improve the infrastructure in the rural areas of the State and also the quality of life of the people. However, the capacity of the PRED is awfully inadequate to handle a programme of this magnitude. Meanwhile, the Rural Development Department have decided to provide all-weather connectivity to all the harijanwadas and SC habitations in the State under NREGSE. In addition, the Department is also executing road works under RIDF, RIAD and PR.

**(Contd...2)**

**3.** To ensure that the PMGSY works and RIDF works are executed on top priority through dedicated project implementation units, and also to ensure that the works of ZP, MPP, Gram Panchayats and the NREGS are properly supervised, the department has to provide separate field staff for the projects and PRI works with the existing and proposed additional field staff under PMGSY.

**4.** Taking into consideration the above factors, the Engineer-in-Chief (PR) has requested the Government to consider sanction of following additional posts with an estimated cost of Rs. 22.2666 crores per annum to Panchayat Raj Engineering Department for proper implementation and execution of various works sanctioned under different schemes.

1. Dy. Executive Engineers	:	<b>144</b>
2. AEEs/AEs	:	<b>624</b>
3. DAO(W)	:	<b>22</b>
4. Technical Officers	:	<b>8</b>
